CS aerotherm stepped into the commercial bakery equipment domain, in the year 1997, with a long-term technical collaboration with FN Aerotherm, Denmark to manufacture rotary-rack (B-900 and B-1300) and electrical deck-ovens and most advanced Diesel, Gas, Electric Rotary Rack ovens. Today our product range not only meets the demand of domestic clients but also find their way to highly satisfied clientele in countries of Indian sub continent, Middle East and Africa. For the expanding domestic and international client database, our brand 'CS Ovens' stands for quality, variety and dependability.

Khari Machine

Spiral Mixer CSM- 75

2 Trolley Proofer

Rotary Rack Oven B - 1100

The Khari Package

CS aerotherm strives to make its customers always happy. In our attempt to make your work easy, we present to you our Khari Cutting and Auto panning machine. We understand how time consuming and tiring is the entire process of making Kharis. We have designed and developed a machine that does the tough job of cutting khari sheets in uniform size every time. Once it is cut, it is automatically depanned. You can even make round pizza bases with this machine. Leave your hard work to us. We are forever ready to simplify your life. The package includes our Spiral Mixer, Proofer and Oven. More than enough to start a top of the line Khari Bakery. With this package you can make 140 Kgs of Khari in an hour.

Khari Package

The Khari package include the below. Click on any of the machines to find more details.
